

## **The Master This Mindset™ Manifest By Dr. Cindy Brown**

- ♥ *God/Source Speaks to those of us that “know” and are tuned in (practice, listen and hear.)*
- ♥ *People are called upon by God/Source to give.*
- ♥ *People want, like and crave the experience of giving (to me) (to you) to the world, PERIOD!*
- ♥ *When I give and circulate my good, more good circulates back to me.*
- ♥ *When I ask for what I want and desire consistently, unwavering, clearly, I see and KNOW that “it” is coming to me and it is done!*
- ♥ *When I am continually Grateful of all that I have, I shall have what I desire.*
- ♥ *When I remain clear of my vision (what I want), while maintaining a positive emotional frequency of energy, I attract what I desire.*
- ♥ *God/Source delivers what I desire through people who want the experience of giving to me, to you, to the world.*
- ♥ *Universal Law states that I can’t have an idea or desire without the resources to fulfill it already present for me right now in the universe. This means there are people out there waiting for me, my help, my ideas, waiting for me to step into my God Given Presence so they can give to me and I can receive from them. I will move forward trusting in this so I flow with this law now!*
- ♥ *If it’s my hearts desire to be \_\_\_\_\_, it would be selfish for me to resist being this gift now for/to the world.*
- ♥ *When I am Giving, Clear, Knowing, Expecting, Grateful, Determined to receive, an Open Positive Vessel of God, being God and God’s gifts, Deserving & Receiving God’s gifts, God’s gifts are given to me through opportunity and through people who want to have the experience of giving to me, to you, to the world. Their payment back is just the experience of giving. (They are called to give to you) All they want in return is the experience of giving to you (you receiving gracefully....that’s all! That is payment enough!)*
- ♥ **I AM THAT, I AM. I AM THAT, I AM. I AM THAT, I AM.**
